

### SIMPLER

The FreshWater Salt System sanitizes water by using a maintenance-free, disposable cartridge to generate chlorine from salt. The cartridge lasts four months and can be easily replaced in seconds without tools or dealer assistance.

### CLEANER

With fewer additives needed, your water can stay clean and fresh up to a full year\* before being drained and refilled. This conserves water, saves you money, and reduces time previously spent on complicated water care.

### FRESHER

Using salt to generate chlorine is a much fresher way to sanitize your water. Harsh odors are virtually eliminated, and water feels softer and gentler on eyes and skin.

Available on all Utopia® and Paradise® Series spas.

\*Factors such as bather load and water chemistry can impact water life. When the spa is properly maintained, a three-pack of cartridges with the FreshWater Salt System will keep water clean and fresh for up to a full year.
