

Performance.

Nothing should stand between you and daily enjoyment of your spa. Our materials are selected based on their ability to stand up to everyday use, so your hot tub is ready whenever you are.

REMARKABLY SIMPLE WATER CARE

With Caldera® Spas, you have access to fresh and clean water without handling chemicals whenever you're ready for a soak.

MORE POWER WHEN IT'S NEEDED

Whether you're in the mood to feel the gentle flow of water, or need a deeper massage, a Caldera spa provides you with what you want.

ENERGY EFFICIENT

We're committed to making Caldera Spas one of the most energy-efficient hot tubs available, to minimize your energy usage and save you money.

COMMAND AND CONTROL

The touchscreen Advent® panel gives you intuitive control of spa functions right at your fingertips.
